3. FHWA Functional Classification Map Update – Thomas Dow

Functional classification provides a framework to categorize state highways, county roads and city streets. It is time for INCOG to initiate a systematic process to update the FHWA Functional Classification Map for the Tulsa Region. Detailed information about Highway Functional Classification Concepts, Criteria and Procedures may be found on the FHWA website at: [Highway Functional Classification \(dot.gov\)](#). The current FHWA approved functional classification map may be found on the INCOG website at: [INCOG | Tulsa, OK | Regional Partners - Regional Solutions](#)

4. Regional Microtransit Program

The Regional Mobility on Demand transit system project, Pick Transportation, includes three transit providers: Pelivan Transit, Cimarron Transit, and KI BOIS Area Transit System. The goal of the project is to provide inclusive, affordable, and spontaneous access to public transportation for all. This project is in expansion and has a new technology provider.
