LONG-TERM CARE OMBUDSMAN PROGRAM

Definition of Ombudsman: The Ombudsman Program serves residents in Oklahoma, living in nursing homes, assisted living and residential care homes. An Ombudsman helps improve the quality of life and the quality of care available to residents.

A Long-Term Care (LTC) Ombudsman is a person who receives complaints from residents of long-term care facilities, their friends, relatives or agencies. The LTC Ombudsman attempts to resolve those complaints within the facility. The Ombudsman has the authority to explore problems and recommend corrective action.

Nature of the Program: The Ombudsman Program is supported by local volunteers committed to improving and enriching the lives of older persons in long-term care facilities. The Area Agency on Aging provides local supervision and support for the volunteers and additional support is provided by State Ombudsman Program Staff.

If you want to check complaint experience on a facility, call the LTC Ombudsman Supervisor for the area in which the facility is located.

Become an Ombudsman Volunteer: Are you concerned about the needs of older people? Are you able to work with many types of people? Are you willing and able to follow problems through to resolution? Are you interested in advocating for people living in nursing homes, assisted living or residential care facilities? If so, please contact one of our Ombudsman Supervisors: Lesley Smiley (918) 579-9448, ismiley@incog.org or Cathy Sullins (918) 579-9423, csullins@incog.org.

CHECKLIST TO DETERMINE WHEN A PERSON NEEDS AN OMBUDSMAN'S HELP

A person may need the services of an Ombudsman prior to placing a loved one in a facility to:

- ✓ Discuss the level of care that would benefit the resident.
- ✓ Check on the Ombudsman's experiences with the facility.
- ✓ Learn which facilities have specific services or amenities the resident will require.
- ✓ Request the "Director of Licensed Facilities in Creek, Osage and Tulsa Counties."
- ✓ Discuss sources of payment including Medicare/Medicaid guidelines.

After placing a person in a facility, an Ombudsman may be needed to:

- ✓ Request information regarding any aspect of resident life.
- ✓ File a complaint or to discuss a concern.
- ✓ Discuss state and federal laws and regulations.
- ✓ Protest notice of an involuntary transfer or discharge.
- ✓ Discuss Advance Directives (Living Wills) and Do Not Resuscitate (DNR) forms.
- ✓ Discuss the Living Choice Program.

The INCOG Area Agency on Aging has two full-time and one part-time LTC Ombudsman Supervisors that serve areas in Creek, Osage and Tulsa Counties.

WHAT IS A NURSING HOME?

Nursing Home Care Act
Title 63 of the Oklahoma Statutes
Section 1-1901 et. Seq.
2001 Amendments

The nursing facility provides 24-hour skilled care and related services for residents who require medical or nursing care. These facilities are licensed under the Nursing Home Care Act, 63 O.S. Supp. 1998, Section 1-1901 et seq., and the Regulations for Licensure of Nursing and Specialized Facilities, OAC 310:675.

Nursing facilities are designed to provide long-term nursing care or for persons convalescing from illness which are not appropriate for a hospital or available through home care programs or other alternatives. Besides providing 24-hour care, a room, meals, help with daily living and activities daily are included. Residents have health problems which keep them from living on their own and may require daily medical attention. Nursing facilities are expected to provide a high quality of life and care for all residents.

NURSING HOME CHECKLIST

When trying to find a suitable nursing home, a checklist can assist the consumer in evaluating the nursing home that is visited. Use a checklist for each home you visit. It is recommended that the consumer visit two or three facilities if possible. When possible, the person who is going to live in the facility should be involved in the process of finding the facility in which they want to live.

- ✓ Is the nursing home Medicare-certified?
- ✓ Is the facility Medicaid-certified?
- ✓ Does the facility have the level of care needed, and is a bed available?
- ✓ Does the nursing home have special services if needed (e.g., dementia, ventilator)? Is a bed available?
- ✓ Is the nursing home located close enough for family and friends to visit?
- ✓ Are residents clean, appropriately dressed for the season or time of day, and well-groomed?
- ✓ Is the nursing home free from overwhelming unpleasant odors?
- ✓ Does the nursing home appear to be clean and well-kept?
- ✓ Is the temperature in the facility comfortable for the residents?
- ✓ Are the noise levels in the dining room and other common areas comfortable?
- ✓ Is there a smoking room for residents to use?
- ✓ Are the furnishings sturdy yet comfortable and attractive?
- ✓ May residents have personal belongings and/or furniture in their rooms?
- ✓ Are there policies and procedures to protect residents' possessions?
- ✓ Does the facility have quiet and private areas where residents can visit with friends and family?
- ✓ Are all common areas, resident rooms and doorways designed for wheelchair use?
- ✓ Are nutritious night snacks available?
- ✓ Does the facility have a variety of activities for residents?
- ✓ Does the relationship between the staff and residents appear to be caring, polite and respectful?
- ✓ Do you hear staff knocking on doors before entering a resident's room and refer to residents by name?
- ✓ Is the facility's annual State Health Department's Survey posted or in a notebook where you can read it?

CONTINUUM OF CARE

What is a Continuum of Care Facility?

Continuum of Care and Assisted Living
66 O.S. Supp. 1998, Section 1-890. 1 et qes., and the
Continuum of Care and Assisted Living Rules
OAC 310:663

“Continuum of care facility” means a home, establishment or institution providing nursing facility services as defined in Section 1-1902 of Title 63 of the Oklahoma Statutes and one or both of the following:

- (A) Assisted Living center services as defined in the Continuum of Care and Assisted Living Act; and
- (B) Adult Day Care center services as defined in Section 1-872 of Title 63 of the Oklahoma Statutes 63: 1-890.2.4.)

Continuum of care facilities gives the consumer a choice of settings that can be adjusted to meet their needs and capabilities. When living in a continuum of care, residents might not have to be discharged based on short-term variations in their health status or ability to ambulate. This type of facility combines the services of a nursing home with an assisted living center or an adult day care center.

ASSISTED LIVING

What is an Assisted Living Facility?

Title 310. Oklahoma State Department of Health, Chapter 663. Continuum of Care and Assisted Living

Assisted living means any home or establishment offering, coordinating or providing services to two or more persons who are domiciled therein; are unrelated to the operator; by choice or functional impairments, need assistance with personal care or nursing supervision; may need intermittent or unscheduled nursing care; may need medication assistance; and may need assistance with the transfer and ambulation as defined in Section 310.663-1-2 of the Oklahoma Statutes. (63: 1-890.1.1.)

Costs vary with the residence, unit size and the types of services needed by the residents. Medicaid does not cover costs of assisted living facilities. Also, pay close attention to contracts or agreements as they differ from facility to facility.

What types of services are offered in Assisted Living Facilities?

- Three meals per day in a common dining area.
- Housekeeping services.
- Transportation.
- Assistance with Activities of Daily Living (ADL): eating, bathing, dressing, toileting and mobility.
- 24-hour security and staff availability.
- Medication management.
- Emergency call systems for each resident's unit.
- Social and recreational activities.
- Personal laundry services.

ASSISTED LIVING FACILITY CHECKLIST

Costs vary with the residence, unit size and the types of services needed by the resident. Medicaid does not cover costs of assisted living facilities. Also, pay close attention to contracts or agreements as they differ from facility to facility. The following is a consumer checklist of important services, amenities and accommodations in assisted living communities. Every community is unique. Each provider should have copies of their resident contract outlining, at a minimum, services, prices, extra charges, admission and discharge criteria. Consider the following as you assess an assisted living residence:

- ✓ Did you receive a warm greeting from staff welcoming you to the residence?
- ✓ Do residents socialize with each other and appear happy and comfortable?
- ✓ Is a contractual agreement available that discloses health care and supportive services, all fees, as well as admission and discharge provisions?
- ✓ Are additional services available if the resident's needs change?
- ✓ Are there different costs for various levels or categories of services?
- ✓ Is there evidence of an organized activities program, such as a posted daily schedule, events in progress, reading materials, visitors, etc.?
- ✓ Are there set time for meals? If so, when are they?
- ✓ Are residents able to bring their own furnishings for their unit? What is provided? May residents decorate their own units?
- ✓ Is the residence clean, free of odors and appropriately heated/cooled?
- ✓ To what extent are medical services available and how are these services provided?
- ✓ Can the residence provide a list of services available?
- ✓ Does the residence provide housekeeping and/or personal laundry and linen services in the resident's units?
- ✓ Does the residence provide transportation to doctor's offices, shopping and other activities desired by residents?
- ✓ Are there various sizes and types of units available?

RESIDENTIAL CARE

What is a Residential Care Facility?

Nursing Home Care Act

Title 63 of the Oklahoma Statutes

Section 1-1901 et. Seq. with 2001 Amendment

63-1-1902. Definitions.

“Residential care home” means any home, establishment or institution licenses pursuant to the provisions of the Residential Care Act other than a hotel, motel, fraternity or sorority house, or college or university dormitory, which offers or provides residential accommodations, food service, and supportive assistance to any of its residents or houses any resident requiring supportive assistance. The resident shall be persons who are ambulatory and essentially capable of managing their own affairs, but who do not routinely require nursing care; provided, the term “residential care home” shall not mean a hotel, motel, fraternity or sorority house, or college or university dormitory, if the facility operates in a manner customary to its description and does not house any person who requires supportive assistance from the facility in order to meet an adequate level of daily living.

A residential care home may provide assistance with meals, dressing, bathing, and other personal needs, and it may assist in the administration of medications. However, it cannot provide medical care. Residents need to be ambulatory. Some residential care homes are located in large facilities while others are in small homes. Medicaid does not pay for people to live in residential care facilities.

INTERMEDIATE CARE FACILITY FOR INDIVIDUALS WITH INTELLECTUAL DISABILITIES (ICFIID)

What is an Intermediate Care Facility for Individuals with Intellectual Disabilities?

Title 310. Oklahoma State Department of Health: Chapter 675. Nursing and Specialized Facilities.

Subchapter 11. Intermediate Care Facilities of 16 beds and less for Individuals with Intellectual Disabilities (ICF/IID-16)

Section 310:675-11-1. Scope

This Subchapter is applicable to small facilities serving individuals with intellectual disabilities which provide residential accommodations and transitional living training to aid residents in adapting to live in the general society. Resident accommodations are limited to not more than 16 residents, plus any required "live-in" staff. Facilities qualifying under this subsection shall be exempt from other subsections of this Chapter, except for the definitions provided in 310:675-1-2 and as may be specifically referenced in this subsection. In addition to these requirements, all facilities must meet the provisions of the Nursing Home Care Act.

(Amended at 26 OK Reg 2059; amended at 36 Ok Reg 1748, eff 9-13-19.)

ICFID (Intermediate Care Facilities for Individuals with Disabilities) is a specialized facility providing health care or rehabilitation services to individuals with mental retardation or developmental disabilities.

"A specialized facility is any home, establishment or institution that offers or provides inpatient long-term care services on a 24 hour basis to a limited category of persons requiring such services, including but not limited to a facility providing health or habilitation services for persons who have mental retardation or developmental disabilities."

You can find the definition of specialized facility in the Nursing Home Care Act and also in CODE policy. ICFID is not defined within those acts, but for the purpose of the Directory, the specialized facility is applicable.
