

TABLE OF CONTENTS – DRAFT 9-26-2013

ACKNOWLEDGEMENTS

THE COMMUNITY VISION	V-1
PREFACE	P-1
CHAPTER I: INTRODUCTION TO THE 2030 PLAN	I-1
The Planning Area	I-1
The History of Comprehensive Land Use Planning in Sapulpa	I-1
Authority and Jurisdiction	I-3
The Planning Process	I-3
Area-Wide and Regional Planning	I-4
Conformance to the 2030 Plan	I-5
Zoning: Relationship to the 2030 Plan	I-5
Amendments to the 2030 Plan	I-5
CHAPTER II: BASIS FOR CONNECTING TO THE FUTURE:	
SAPULPA 2030 COMPREHENSIVE PLAN	II-1
Introduction.....	II-1
Physical Features	II-1
Natural Physical Features and the Environment	II-2
Soils.....	II-2
Depth to Bedrock.....	II-4
Drainage Basins and Watersheds.....	II-4
Floodplains	II-5
Slopes and Topography	II-6
Major Geologic Formations	II-7
Wetlands and Impaired Streams	II-8
Man-Made Physical Features and the Built Environment	II-9
Public Facilities	II-9
Parks, Recreation, Trails and Open Space.....	II-12
Water Distribution and Water Treatment Facilities	II-13
Wastewater Collection and Treatment Facilities	II-14
Solid Waste	II-15
Stormwater Drainage System	II-16
Transportation Systems.....	II-17
Oil and Gas Well Drilling and Mining Activities Environmental	II-21
Environmental	II-22
Social and Demographic Factors.....	II-26
2030 Projected Populations	II-26
Population Change 2000-2010	II-26
Percent of Population Change by Census Block Group	II-26
Population Growth	II-27
Median Age	II-27
Race	II-28
Economic Factors	II-29
Average Persons Per Household	II-29

Labor Force	II-30
Population Trends and Projections: 1970-2030	II-31
Household Income	II-31
Educational Attainment	II-32
Employment by Industry	II-33
Occupational Structure Trends	II-34
Housing Data	II-35
Building Permits	II-36
Growth in Net Assessed Valuation	II-37
CHAPTER III – GOALS, POLICIES AND OBJECTIVES OF THE 2030 PLAN	III-1
Introduction	III-1
Goals, Policies and Objectives of the 2030 Plan	III-1
Goals, Policies and Objectives for Land Use	III-2
Agricultural Area Land Use.....	III-2
Residential Area Land Use	III-3
Office Area Land Use	III-5
Commercial Area Land Use.....	III-6
Industrial Area Land Use.....	III-9
Development Sensitive and Conservation Areas	III-11
Goals, Policies and Objectives for Land Use Intensity.....	III-12
High Intensity.....	III-13
Medium Intensity.....	III-13
Low Intensity	III-13
Agricultural Intensity	III-13
Development Sensitive and Conservation Areas	III-14
Neighborhoods.....	III-14
Activity Centers	III-14
Special Districts	III-15
Mixed Use	III-15
Open Space	III-15
Corridors and Gateways	III-15
Goals, Policies and Objectives for Public Facilities	III-15
Public Facilities	III-16
Parks, Recreation, Trails and Open Space	III-19
Public Safety: Law Enforcement, Fire, Emergency Medical Services and Multi-Hazard Mitigation	III-21
Education and Schools	III-22
Goals, Policies and Objectives for Public Utilities.....	III-23
Water System	III-23
Wastewater System	III-25
Electrical System	III-26
Gas System	III-26
Floodplain Management	III-27
Stormwater Management	III-28
Solid Waste Management.....	III-30
Goals, Policies and Objectives for Transportation	III-30
General Transportation	III-31
Trafficways	III-32
Pedestrian Pathways and Multi-Use Trails	III-34

Public and Rural Transit	III-35
Air Transportation	III-37
Rail Transportation	III-37
Water Transportation – The Tulsa Port of Catoosa	III-38
Goals, Policies and Objectives for Housing	III-38
Goals, Policies and Objectives for Economic Development	III-40
Goals, Policies and Objectives for Image and Appearance	III-45
Goals, Policies and Objectives for Quality of Life	III-47

CHAPTER IV: CONNECTING TO THE FUTURE – SAPULPA 2030 COMPREHENSIVE PLAN

Remembering the Community Vision	IV-1
Trends in Growth and Development.....	IV-2
Current Land Use	IV-2
Current Zoning	IV-3
School Districts	IV-4
Zip Code Tabulation Areas	IV-5
Large Land Holdings	IV-5
Subdivisions and Development: 2002 - 2012.....	IV-6
Population Projections and Residential Attractiveness of the City and Planning Area	IV-6
Population Projections and Employment Attractiveness of the City and Planning Area	IV-7
Economic Development	IV-7
Annexation and Growth Boundary Areas	IV-10
Selecting a Place to Live and Work	IV-11
Growth and Development -Selected Objectives of the 2030 Plan.....	IV-12
Land Use.....	IV-15
Land Use Intensity.....	IV-15
Land Use Concepts.....	IV-15
Public Facilities	IV-16
Parks, Trails and Open Spaces	IV-17
Public Utilities	IV-17
Transportation	IV-18
Housing	IV-19
Economic Development and Tourism	IV-20
Image and Appearance	IV-22
Quality of Life	IV-22
The 2030 Plan Maps	IV-23
2030 Future Land Use Plan	IV-24
2030 Future Major Street and Highway Plan, Corridor and Gateway Map.....	IV-30
2030 Future Sapulpa/Creel County Trails Master Plan	IV-33

CHAPTER V: IMPLEMENTATION OF THE 2030 PLAN

Introduction	V-1
Continued Citizen Involvement	V-1
Zoning Regulations	V-2
Subdivision Regulations and Engineering Design Standards	V-2
Annexation	V-3
Building and Housing Codes	V-3
Reviewing, Processing and Permitting Development Plans	V-3

Residential Neighborhood Area Improvement Programs	V-4
Building and Commercial Area Improvement Programs	V-4
Continued Street Improvement Programs and Complete Streets	V-5
Capital Improvement Program (CIP)	V-5
Master Plans	V-6
Historic Preservation and Enhancement of the CBD).....	V-6
Affordable Housing Strategies	V-6
Parks, Recreation, Trails and Open Space	V-6
Sustainability	V-7
Green Building	V-8
Low Impact Development (LID)	V-8
Detailed Planning for Corridors, Gateways, Special Districts and Development Sensitive and Conservation Areas	V-8
Adopting the 2030 Plan for the Unincorporated Areas of Creek and Tulsa County	V-9

CHAPTER VI: MAINTAINING THE 2030 PLAN AND COMPLETION OF RELATED ELEMENTS.....	VI-1
--	-------------

APPENDIX

A. Part 1 – List of Zoning Districts	A-1
B. Part 2 – Land use Plan Matrix: Relationship of Zoning Districts to Connecting to the Future: Sapulpa 2030 Comprehensive Plan	A-2

LIST OF MAPS: 08-28-13 IF

Map 1. Planning Area Map	Follows Page I-10
Map 2. Major Soil Formations	Maps 2 – Maps 24 Follow Page II-39
Map 3. Soil Limitations on Roads	
Map 4. Soil Limitations on Dwellings and Small Commercial Structures	
Map 5. Soil Limitations on Septic Tank Absorption	
Map 6. Depth to Bedrock	
Map 7. Drainage Basins and Watersheds	
Map 8. 100 Year and 500 Year Floodplains	
Map 9. Percent Slope	
Map 10. Major Geologic Formations	
Map 11. Wetlands and Impaired Streams	
Map 12. Public Facilities	
Map 13. City Water Distribution System and Treatment Facilities	
Map 14. City and Rural Water Service Areas	
Map 15. City Wastewater Treatment System and Facilities	
Map 16. City Stormwater Drainage System	
Map 17. 2025 Major Street and Highway Plan	
Map 18. Functional Classification of Roads	
Map 19. Corridor and Gateway Development Plan	
Map 20. Railway Systems	
Map 21. Oil and Gas Wells	

- Map 22. Oil, Gas and Petroleum Pipelines
- Map 23. Sapulpa Area Population Change from 2000-2010
- Map 24. Sapulpa Area Percent Population Change from 2000-2010
- Map 25. Current Land Use Maps 25-34 follow Page IV-33
- Map 26. Current Zoning
- Map 27. School Districts
- Map 28. Zip Code Tabulation Areas
- Map 29. Large Land Holdings
- Map 30. Creek County Transportation Management Area Portion of the 2030 Regional
Transportation Plan – Employment Attractiveness Index
- Map 31. Creek County Transportation Management Area Portion of the 2030 Regional
Transportation Plan - Residential Attractiveness Index
- Map 32. 2030 Future Land Use Map
- Map 33. 2030 Future Major Street and Highway Plan, Corridors and Gateways
- Map 34. 2030 Future Sapulpa/Creek County Master Trails Plan

LIST OF TABLES AND PAGE NUMBERS

1.	Population Growth by Place and County: 1980-2010	II-26
2.	Sapulpa Population Pyramid: 1990-2010	II-28
3.	Race of Sapulpa, Creek County and the Tulsa MSA.....	II-29
4.	Labor Force	II-30
5.	Population Trends and Projections: 1970-2030	II-31
6.	Median Household Income	II-32
7.	Educational Attainment	II-32
8.	Employment by Industry for Sapulpa: 1990-2010	II-34
9.	Occupational Structure Trends	II-34
10.	Housing Data	II-35
11.	Building Permit Activity for Single-family and Commercial Construction:2000-2012	II-37
12.	Net Assessed Valuation	II-38
