

**Bicycle & Pedestrian Advisory Committee  
Meeting Minutes February 7, 2012**

Roll Call – (I did not get the committee members that were present)

- Introduction of 2 new members: Shannon Compton and Mike Wozniak
- It was agreed upon that there would be two alternates due to not all of the committee members being able to attend every BPAC meeting. Those alternatives are Nathan Leigh and Charlie Roop

James,

Can you please pass these minutes along to Stephen. I don't have his contact info and I didn't see it on the BPAC website. Sorry ahead of time if these notes are not up to par with the norm.

Discussion of the passing of the Resolution to create “A comprehensive, integrated, and interconnected multimodal network of complete streets.”

Gary (last name?) and Charlie Roop volunteered to be the designated BPAC representatives on the Route 66 Task Force.

A subcommittee was formed to set up the bicycle tour for the Councilors. A meeting will be held on Monday, February 13<sup>th</sup> at 4:00 in INCOG offices to plan for tour.

Three separate groups were formed to discuss and come up with solutions to pedestrian issues in Tulsa.

All that were present at the meeting were to mark with stickers what they felt the top 5 issues should be on the agenda for bicycle commuter/safety.

Meeting adjourned.
