

**Transportation Public Opinion Survey RFP
Request for Proposals
Questions & Answers**

1. Do you have a proposed budget for the project?

Budget is not to exceed \$50,000, all expenses inclusive.

2. Have you completed a similar study in the past? If so, could we gain access to the survey instrument/report?

The survey instrument can be found here: [2008 Survey Instrument](#)

The corresponding survey report: [2008 Transportation Survey Report](#)

3. Questions related to contract terms related to bonding or payment

INCOG will work with the contractor chosen to determine mutually agreeable terms, if different from what the RFP states. The consultant may include a copy of the format they propose along with the response to the RFP. If an agreement cannot be reached in a reasonable time (in two-weeks after the notification of the selection), INCOG reserves the right to work with other finalists.
