Consider, discuss and/or take action on:

1. Call to Order and Introductions

2. Approval of Minutes of November 16, 2011 [pdf](#)

3. Transportation Improvement Program Amendments [pdf](#)

INCOG is awarded two grants by the FTA. One is to conduct the Alternative Analysis on the Peoria/Riverside Drive Corridor and the other is related to the Veterans Transportation Community Living Initiative (VTCLI) grant, related to the Mobility Management program. Both grants will be administered by INCOG and are consistent with the long range plan. The alternative analysis grant is for \$340,000 Federal and \$92,000 Other and the VTCLI grant is for \$462,126 Federal and \$145,626 Other.

4. Connections 2035 Regional Transportation Plan Update [pdf](#)

Connections 2035: Regional Transportation Plan update is in progress. Transportation plan is dependent on the latest demographic data available. The 2035 Population forecast from an earlier effort is slightly revised by taking into account of the newly available data from 2010 Census. A new baseline for employment by Transportation zone is established with the acquisition and processing of data for the year 2010. Attached are the 2035 Employment, Population, changes from 2010-2035 by Transportation Zone, Elderly population, Poverty distribution and Minority groups related data.
