Total Civilian Noninstitutionalized Population
5 years & older = 643,406

Total Civilian Noninstitutionalized Population
5 years & older with a disability = 124,410

Percent of total civilian noninstitutionalized
population 5 years & older with a disability = 19.34%

*Block groups of 100 or more are represented on the map

Standard Deviation is a comparison of the percent of civilian noninstitutionalized persons 5 years and older with a disability for that block group to the same percentage for the entire TMA. The higher the number the greater the concentration of civilian noninstitutionalized persons 5 years and older with a disability.
