Dear James:

Congratulations on receiving the Bicycle Friendly Community designation at the Bronze level. This award is presented only to communities with remarkable commitments to bicycling. The award will be current for four years, so your designation will be up for renewal in 2017.

I have enclosed your award certificate. You will receive an award road sign separately. You will also receive a report with recommendations via email in late November.

If you would like to order additional Bicycle Friendly Community road signs or any of the enclosed promotional material, please complete the included order form and return it to the League.

Once again, congratulations on your efforts to create a great Bicycle Friendly Community.

Sincerely,

Bill Nesper
