

Principal Planner

INCOG is seeking qualified applicants for a Principal Planner position to provide and lead essential current planning services for the unincorporated areas in Tulsa County by administering the Tulsa County Zoning code and Subdivision and Development Regulations processes.

The Principal Planner will provide professional services to the public and must have strong written and verbal communication skills. This position will provide staff presentations and will take a leadership role for necessary coordination for the Tulsa County Board of Adjustment, the Tulsa Metropolitan Area Planning Commission (TMAPC) and the Tulsa County Board of County Commissioners. The successful applicant will also provide leadership and manage efforts with any other governmental entities that may be responsible for land development decisions in the unincorporated portions of Tulsa County.

The Principal Planner will lead a team on special projects that may include zoning code updates, comprehensive plan amendments and will organize processes with the local government organizations. The successful candidate will represent INCOG with other special projects that may be assigned by the INCOG Executive Director.

Qualified applicants will have a bachelor's or master's degree in urban planning or related field is required and at least 7 years of related experience. The applicant must have strong organizational skills and have the ability to meet multiple deadlines as required. Previous experience with local land development processes will be an important consideration.

The annual salary is based on the candidate's qualifications and experience. INCOG also offers a comprehensive benefits package. To apply, send resume and salary expectation to: resumes@incog.org.
