ACCOUNT STATUS

Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a \$25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

JUST FOR YOUR BUSINESS

Pay your bill electronically using your company's corporate credit card via AT&T BusinessDirectP website or by contacting AT&T Customer Care. This new option allows you to pay most of your services with a few easy steps (processing fee applicable). Not already registered for AT&T BusinessDirect? Contact your Account Executive today to see if you're eligible.

Beginning December 1, 2024, a 2-3% processing fee will be added when using a credit card to make one-time payments. If you prefer to avoid paying the credit card processing fee, you can use one of the following payment methods: Debit Card, ACH Transfer, Electronic Funds Transfer (EFT), or Check. If you prefer using a credit card, no action is required. We will process payment as usual, but with the added 2-3% processing fee.

REGULATORY NEWS

You may experience disconnection of your AT&T Local Service if payment is not received for the Long Distance portion of your bill except in the following states: Arizona, Colorado, Delaware, Hawaii, Idaho, Iowa, Massachusetts, Minnesota, Montana, New York, North Dakota, Ohio, Oregon, Pennsylvania, South Dakota, Texas, Utah, Virginia, Washington and Wyoming. You will not be disconnected if payment is not received for the non-regulated charges of your bill.

FEE DESCRIPTIONS

The Administrative Expense Fee recovers a portion of AT&T's internal costs associated with the Federal Communications Commission's Universal Service Fund and related programs. The Federal Regulatory Fee recovers amounts paid to the federal government for regulatory costs and telecommunications services for the hearing impaired, and costs associated with local number portability administration. These fees are not taxes or charges that the government requires AT&T to collect from its customers.

Attention California Customers:

The following charges are "Government Fees and Taxes": Federal Excise Tax; CHCF-A, CHCF-B, Univ Lifeline Tele Serv Sur, Com Dev Fnd/Deaf & Disabled, California Teleconnect Fund, State 9-1-1 Surcharge, Utility User's Tax, and Local 911 Charge.

Thank You For Choosing AT&T Where Every Customer Counts!
