PREVENT DISCONNECT

Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges contained in the State tariff, associated taxes, fees and surcharges which include but are not limited to: basic local service, intra-state long distance calls, as well as call waiting, call forwarding and other call management type services MUST be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$9721.93. Also, neglecting to pay for other charges such as voice mail, InLine®, wireless, inter-state long distance, and Internet may result in these services being interrupted.

LONG DIST. PROVIDERS

Our records show that you have not selected a primary local toll or long distance carrier. Please contact us if this does not agree with your records.

PAYMENT FEE UPDATE

Beginning in 2025, a 2-3% processing fee will be added when using a credit card to make one-time payments. If you prefer to avoid paying the credit card processing fee, you can use one of the following payment methods: Debit Cards, ACH Transfers, Electronic Funds Transfers (EFT), Checks. If you prefer using a credit card, no action is required. We will process payment as usual, but with the added 2-3% processing fee.

FEES AND SURCHARGES

AT&T collects monthly fees and surcharges to help recover its required contribution to government programs and to recover costs AT&T pays in taxes and required payments levied by federal, state, and local governments. These fees and surcharges included on your bill are periodically adjusted to align with the rates determined by the government agency that is responsible for the state or federal fund or tax and subject to change at any time without notice to you unless required by law. For more information, please contact an AT&T Service Representative at the phone number listed on the front of your bill.

If you are a business customer with an existing contract, those contract terms will control.

Important Information for Customers Paying by Check

Windstream may convert your payments by check to an electronic Automated Clearinghouse (ACH) debit transaction. The debit transaction will appear on your bank statement, although your check will not be presented to your financial institution or returned to you. This ACH debit transaction will not enroll you in any Windstream automatic debit process and will only occur each time a check is received. Any resubmissions due to insufficient funds may also occur electronically.

Please be aware that all checking transactions will remain secure, and payment by check constitutes acceptance of these terms.

We value your business and appreciate you selecting Windstream as your telecommunications provider.

Informacion importante para los clientes que pagan por cheque

Windstream puede convertir sus pagos por cheque a una transaccion electronica automatica de debito (ACH en ingles). La transaccion del debito aparecera en su estado de cuenta del banco, aunque no se presentara su cheque a su institucion financiera ni se le devolvera a usted. Esta transaccion electronica automatica de debito no le inscribira a usted en ningun proceso de debito automatico de Windstream y solamente ocurrira cada vez que se reciba un cheque. Cualquier reentrega debida a fondos insuficientes tambien podra ocurrir electronicamente.

Por favor tenga en cuenta que todas las transacciones de la cuenta corriente seran seguras y el pago por cheque constituye la aceptacion de estas condiciones.

Agradecemos que sea nuestro cliente y apreciamos que haya elegido a Windstream como su proveedor de telecomunicaciones.

Check authorization: By entering the 5-digit zip code from my bill when paying by phone, I hereby authorize Windstream and the financial institution designated by me to charge the account I have specified for payment of my Windstream services. I understand that a fee will be charged to my Windstream account for each request returned unpaid. If two requests are returned unpaid, I will be excluded from this option. In addition, I understand that Windstream and the financial institution reserve the right to terminate this payment option. This authorization can be revoked by notifying Windstream at the customer service number listed on my bill prior to 4:00 P.M. EST on my specified payment date.

For a complete description of fees and taxes included on your bill, please visit windstream.com/about/bill-information. Para obtener una descripción completa de las tarifas e impuestos incluidos en su factura, visite windstream.com/about/bill-information.
