### Important Information for Customers Paying by Check

Windstream may convert your payments by check to an electronic Automated Clearinghouse (ACH) debit transaction. This ACH debit transaction will not enroll you in any Windstream automatic debit process and will only occur each time a check is received. Any resubmissions due to insufficient funds may also occur electronically.

Please be aware that all checking transactions will remain secure, and payment by check constitutes acceptance of these terms.

We value your business and appreciate you selecting Windstream as your telecommunications provider.

### Información importante para los clientes que pagan por cheque

Windstream puede convertir sus pagos por cheque a una transacción electrónica automática de débito (ACH en inglés). La transacción del débito aparecerá en su estado de cuenta del banco, aunque no se presentará su cheque a su institución financiera ni se le devolverá a usted. Esta transacción electrónica automática de débito no le inscribirá a usted en ningún proceso de débito automático de Windstream y solamente ocurrirá cada vez que se reciba un cheque. Cualquier reentrega debida a fondos insuficientes también podrá ocurrir electrónicamente.

Por favor tenga en cuenta que todas las transacciones de la cuenta corriente serán seguras y el pago por cheque constituye la aceptación de estas condiciones.

Agradecemos que sea nuestro cliente y apreciamos que haya elegido a Windstream como su proveedor de telecomunicaciones.

**eCheck authorization:** By entering the 5-digit zip code from my bill when paying by phone, I hereby authorize Windstream and the financial institution designated by me to charge the account I have specified for payment of my Windstream services. I understand that a fee will be charged to my Windstream account for each request returned unpaid. If two requests are returned unpaid, I will be excluded from this option. In addition, I understand that Windstream and the financial institution reserve the right to terminate this payment option. This authorization can be revoked by notifying Windstream at the customer service number listed on my bill prior to 4:00 P.M. EST on my specified payment date.

Kinetic reserves the right to delete your windstream.net email account, without notice, if unused for one hundred and eighty (180) consecutive days. The contents of the email account will be unrecoverable once the account has been deleted.

Kinetic is dedicated to delivering top-quality service and support. We offer the option to bill third-party services to your Kinetic account for convenience. However, we recognize this might not suit everyone. We encourage reviewing your bill monthly and reaching out with any questions about charges. To enhance control and security, we also provide a free option to block third-party charges on your bill, excluding Kinetic-related services you subscribe to. **Important Info About Your Customer Proprietary Network Information (CPNI)**

At Kinetic, your privacy is of utmost importance. In line with Federal Communications Commission (FCC) rules, we send a Customer Proprietary Network Information (CPNI) notice every two years to remind you of your rights and choices.

You have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI. We take that obligation seriously.

100768263Telephone number  
918-010-2673Invoice date  
November 05, 2025**WINDSTREAM CUSTOMER MESSAGE (cont'd)****What is CPNI**

CPNI is information about the services you have with Kinetic, like the type of service, how you use it, and related billing details. CPNI does not include your name, phone number, or address.

**How we use your CPNI**

We use CPNI to provide, support, and bill your services and to help prevent fraud. With your approval, we may also use or share CPNI to offer new or enhanced services beyond what you already have, we do not sell your CPNI. We may disclose CPNI if required by law or to protect Kinetic's rights or property. Additionally, upon an authorized company representatives written request, we may disclose your CPNI to a person or entity you designate.

**Your choice**

You control how we use your information for tailored offers:

- If you approve of us using your CPNI for tailored offers, no action is needed. We'll begin after a 30-day period following this notice.
- If you don't want us to use your CPNI for tailored offers, you can opt out by calling the number listed on your invoice. If your business receives separate bills for different telephone numbers or accounts, please submit a request for each number or account. Opting out won't affect your current services. If you opt out, you may still receive offers, but they won't be tailored using your CPNI.

Your decision stays in place until you change it, and you can change it anytime at no cost. Even if you've already set a preference, you may continue to receive this reminder every two years as required by FCC rules.

**NOTICE OF RATE INCREASE**

Your account includes month-to-month legacy services. Because the cost to maintain legacy technology is increasing, monthly recurring charges for locations that receive a legacy service will increase by up to 25%. This change will appear on invoices issued within the next 30 to 60 days as a new line item titled 'Legacy Services Charge'. Legacy services include, for example, copper-based business phone lines, Centrex, ISDN BRI, and DSL data services. Your location(s) may be eligible for our fiber services. To review upgrade options, please contact your account representative or call the phone number listed on your billing statement.

A late payment charge of 1.5% will apply to any unpaid balance after the due date on the bill.

**Service Suspension for Past Due Payments**

Based on state regulatory and notice requirements, once your bill is past due, some or all of your service may be suspended. Charges may apply to suspend or reconnect service. A deposit to reestablish your service may also be required.
